Creek Work Depends on Easements

By BETSY ROSSEN

"This Division is quite concerned that the village have legal authority to proceed to conduct operations within the stream bed, and for that purpose, have the necessary easements."

So says Marvin Tepper, technical advisor for the Division of Water Resources, Illinois Dept. of Transportation, in a letter received Monday by the village board.

He feels that neither the proponents nor the opponents of the Sequoit Creek enclosure project have brought sufficient evidence so that the question of legality "can be laid to rest."

TEPPER STATES in the letter that during last week's public works meeting "one gentleman raised the question of the village's right to do work along or within his property and I do not feel that the question was satisfactorily resolved during the course of the meeting."

He suggests that additional documentation be supplied by the board.

Tepper explained Tuesday that he looks at the project from two aspects: technical and legal. His division believes that the project itself is technically sound and that he could "proceed to issue the permit if he felt there were no substance to the objections."

"OUR CONCERN is the best way to handle the flooding. The village plan is adequate for that. It's a good proposal," he said. As stated in the letter, the legal side is the current issue, according to Tepper.

"This is purely a permit application," he explained. Therefore, the use of the creek area must be determined

locally, giving the trustees a political decision on whether the creek is to be open or closed.

Jurisdiction is given to the state by the Rivers, Lakes and Streams Act of 1911 (as amended), set forth in chapter 19 of the Illinois Revised Statutes. State authority is asserted over all major and most minor bodies of water in the state.

Tepper explained that the statute establishes his division and sets certain standards for its operation. Section 70 of chapter 19 is particularly relevant to Antioch's project, for it states that streams are not to be encroached upon to the extent that the carrying capacity is diminished.

THERE'S NO FRINGE ON TOP, but this surrey is sure to be one of the most interesting items auctioned off Sunday, Aug. 3, at the Lions Club's annual Farmers Picnic. The Antioch Rescue Squad will benefit from the auction and a member of that group, Mike Haley, admires the carriage along with his daughter, Jennifer, and Richard Eckert.

Chamber and Lions Plan 4 Days of Fun

The lively community of Antioch will really be jumping next week, beginning on Thursday, July 31.

The fun will last for four days through Sunday, Aug. 3.

First of all, the Chamber of Commerce is getting ready for its annual Maxwell Street Days sidewalk sale on Thursday, Friday and Saturday, July 31 through Aug. 2.

The Antioch Lions Club has decided to stage a Bicentennial celebration on those days and climax the whole thing on Sunday, Aug. 3, with its annual Farmers Picnic and Chicken

Bar-B-Que.

During Maxwell Street Days, the Lions will set up a Bicentennial booth on Main Street and sell crackerjack for one cent a box. (Just like the good old days, but with a limit of one box to a customer.)

Saturday, Aug. 2, will be Galloping "Horse & Buggy" Day. Residents who ride a horse or drive their favorite horse and buggy rig to the watertower on Broadway Street, between 11 a.m. to 4 p.m., will receive free tickets to Sunday's picnic at the Aqua Center.

Sunday, Aug. 3, will feature the Chain o' Lakes "Model T" antique and old car parade, beginning at 11 a.m. at Antioch Community High School. It will proceed north on Main Street to the Aqua Center where the collection of automobiles from years past will be on display.

One of the highlights of Sunday's Farmers Picnic will be the annual auction for the benefit of the Antioch Rescue Squad. Herman Behm once again will be the auctioneer.

The event attracted hundreds last year and Rescue Squad Captain Jim Fields and his associates are collecting auction items that are a cinch to provide another exciting afternoon on Sunday, Aug. 3.

The Jaycees covered the town last weekend, raising money to take the kids to a Cubs or Brewers game, and also to raise money for playground equipment. The Town Crier

Made our annual trip to Arlington Park two weeks ago and, great hunch players that we are, naturally bet on a horse named Antioch Tamao.

Alas and alack, Antioch Tamao came in second.

We read in the Tribune that he ran again last week and finished second again. Pretty good horse.

He'll probably be racing again in the next few days and perhaps is due to win. We just might have to make another trip to the track and put a couple of dollars on his nose.

Wonder what Tamao means. We looked it up in our Funk & Wagnall's, and in our Webster dictionary, but no such word.

I HAVE often wondered why we balding men must pay the barber \$3.50 for a haircut, but yesterday Betsy Rossen explained it to me:

THIS WEEK'S "most interesting quote" comes from columnist David Broder who suggests that if Ronald Reagan gets up the nerve to challenge Gerald Ford for the Republican presidential nomination, he

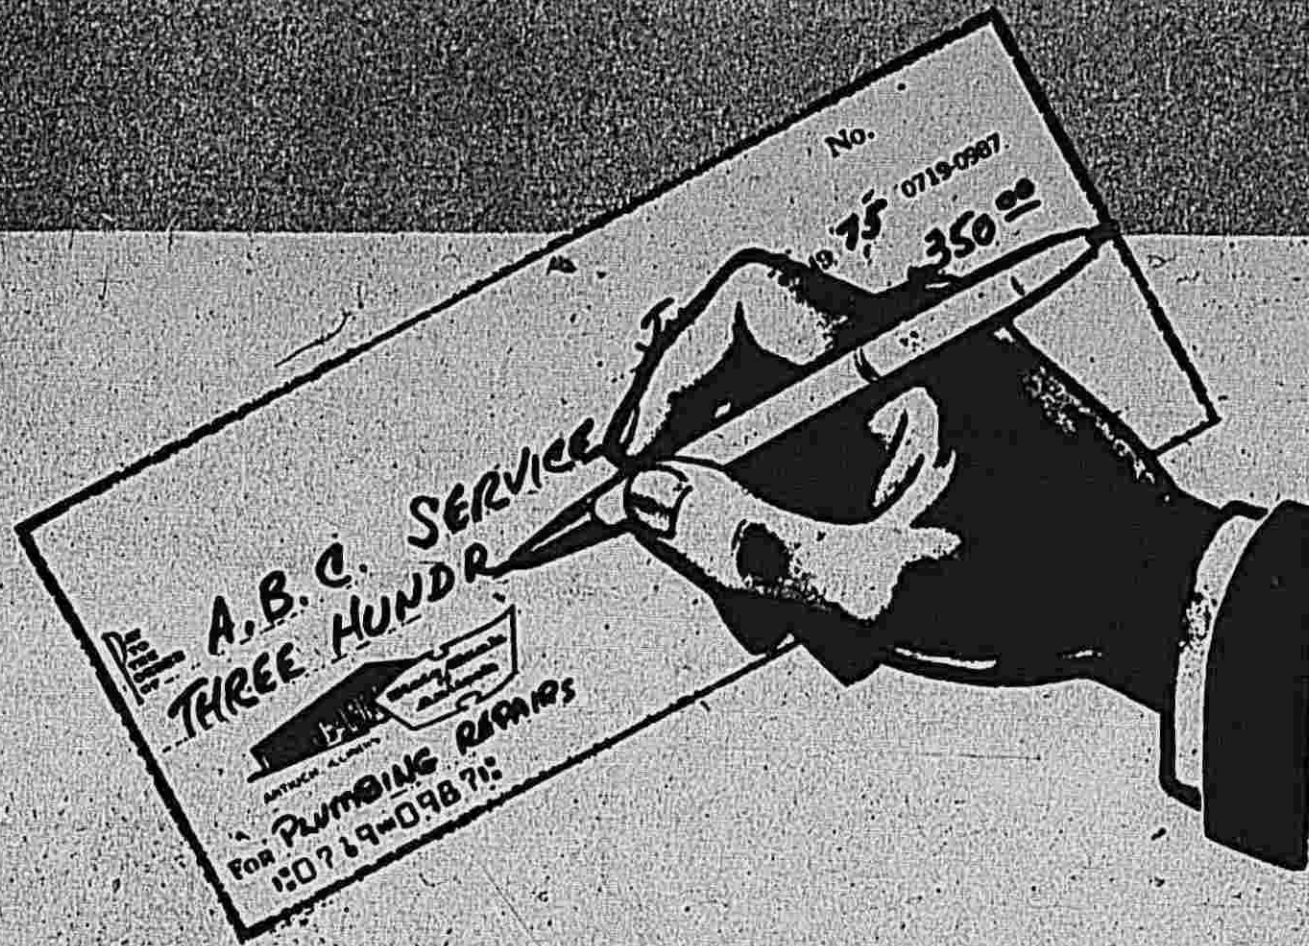

may be a lot tougher than anybody supposes.

"Republican activists now crave someone whose philosophy they know and trust," says Broder. "They also sense the country is moving in the conservative direction, which it surely is, and they want their doctrine preached in its purest

possible form. Reagan does that better than any other politician in the country, and has for years."

BARRY GOLDWATER

New Lobbyist Invades Washington

By SEN. BARRY GOLDWATER

Almost overnight, Washington has become the mecca for a new breed of lobbyist.

The latest army of special pleaders differs from the old-time lobbyist who registers with the Department of Justice and goes to work to influence the course of legislation. The new arrivals are interested primarily in influencing government agencies and bureaucrats who, through the power of regulation, are more important to some businesses than new laws.

THERE IS no way to estimate the number of corporations, universities, foundations and institutes which have in recent years opened offices in the nation's capital to track down contracts, grants and

assistance money available from the national government.

Only six years ago Washington trailed several other large cities in the number of trade and professional associations located in its boundaries. However, the Metropolitan Board of Trade recently disclosed that the number of such groups has tripled since 1969.

As a result Washington now is ahead of New York City and all other areas in the association business.

Other special-interest groups depend on influential law firms to make sure they don't get shorted by bureaucrats who have ready access to the federal treasury. Only recently the Washington Star devoted a series of articles to the growing power and influence of the private legal community in the nation's capital.

MANY OF these firms are loaded with lawyers who formerly worked for regulatory agencies such as the Securities and Exchange Commission, the Federal Trade Commission, Federal Communications Commission and many others.

Despite attempts by the Ford Administration to curb the authority of the regulatory agencies, they are gaining more power every day. The intent of Congress and, many times, the intent of the Administration is often lost in the maze of the governmental superstructures so huge that only trained experts with years of experience can find their way around in it.

70 YEARS AGO: JULY 20, 1905

The worst fire in the history of the village of Silver Lake occurred just after 10 o'clock on Thursday evening of last week when the big Ice house owned by the Tewes Ice Company of Chicago was completely destroyed by fire, entailing a loss variously estimated at from \$35,000 to \$50,000.

The Antioch Lincoln Chautauqua will be held Thursday, July 22 to Tuesday, July 27. This has been brought to Antioch at a great expense and in order to make it a success every one who can possibly come should do so. The entertainments are of a high class order and you will receive an untold benefit from the varied entertainments given.

20 YEARS AGO: JULY 21, 1955

Reverend A.J. Henderson, pastor of St. Peter's Catholic Parish, has announced that this Sunday will mark the opening of a building fund campaign for a minimum of \$125,000 to help defray construction costs of a new convent for the Sisters and the expansion of the school facilities by three classrooms.

Dr. Alan L. Thain, son of Mr. and Mrs. Lyman Thain of Millburn, will become a member of the Antioch Clinic. He replaces Dr. Irving L. Breakstone who will join the staff of the Chicago State hospital (Dunning).

10 YEARS AGO: JULY 22, 1965

Mayor Raymond Toft has appointed Bob Wilton as alternate representative to the Lake County Municipal League and Marilyn Sterbenz to assist Clerk Clarence Shultis and Treasurer Martha Hunter, part time, at clerical work, at \$1.75 an hour.

Edgar Simonsen installed Antioch's new fire siren on the water tower last Wednesday. The old siren had served the community since 1922; it had failed to sound off a few times lately.

LETTERS

Editor:

In regard to the enclosure of Sequoit Creek west of Main Street, it's easy to realize that there are conflicting viewpoints!

I do sympathize with property owners who have flooded basements, however to say, as one person stated at last Monday night's village board meeting that, "Sequoit Creek is not beautiful but useless," I directed my thoughts and questions to you Sir, and others holding this viewpoint. Yes, I am overemotionalizing and romanticizing the issue, but having worked the past year with children and using the creek for educational purposes I say to you, how many of you know there are wild strawberries, a variety of plants, trees, wildflowers, insects and birds living beside the creek?

Yes, Sequoit Creek has a deeper meaning to me, but then simple natural things mean more to me in life than to some people!

Hopefully, our elected officials will take into consideration all property owners and all possible solutions before making their final decision.

Sincerely,
Joyce Kufalk

Remember Curfew Laws

There are curfew laws that apply to Antioch's young people and they are worth reviewing.

For example, the village curfew law says that all persons under the age of 18 must be off the streets by 10:30 p.m. on Sundays, Mondays, Tuesdays, Wednesdays and Thursdays. And their curfew on Fridays and Saturdays is 11:30 p.m.

The village ordinance regarding children under 16 years of age says they must be off the streets by 10 p.m. every night of the week.

There also are state of Illinois and county of Lake curfew laws that apply to young people, and the hours are similar to those stated in the village ordinances.

All of the laws state that if youngsters are with a parent, legal guardian or person over the age of 21, they can be out beyond the curfew time. Some young persons have jobs that keep them out past the curfew, and this is okay if they have written permission from their parents.

Antioch police must enforce the curfew laws. Parents can help if they make sure those youngsters who are on the streets after curfew hours are carrying both written permission and proper identification.

TOP BRASS — Larry Wagner and John Olisar will join Jack Nicolai (not pictured) for a trumpet trio at "Music for a Summer Night," 7:30 p.m. next Wednesday at the high school.

Concert Next Wednesday

An outdoor evening concert, "Music for a Summer Night," is planned for 7:30 p.m. Wednesday, July 30, at the south end of Antioch Community High School. The band will be composed of senior high school students and local adults.

The program will include music with a Caribbean flavor and some concert marches including John Phillip Sousa's "El Capitan." The Rock Era will be represented by Jimmy Webb's "MacArthur Park" and musicals by Meredith Wilson's "Music Man."

A SPECIAL feature will be Leroy Anderson's "Buglers Holiday," with John Olisar, Larry Wagner and Jack Nicolai

as soloists in a trumpet trio.

Olisar, director of instrumental music at Antioch Community High School, is an alumnus of the school. After graduation in 1965, he played first trumpet in the 5th Army Band at Fort Sheridan and also performed in the jazz ensemble there. Graduating from the University of Wisconsin in 1971, he taught for one year at Brookwood Junior High School in Genoa City before coming to Antioch.

Wagner is director of instrumental music at Antioch Grade School. He has taught at Kansas, Illinois and Eastern Illinois Junior College. He graduated from Eastern Illinois University in 1970 and received his master's degree in 1971.

Nicolai is in his senior year at the University of Wisconsin and has played trumpet throughout his school career.

IN ADDITION to the symphonic band, the Jazz Ensemble will perform music of the Big Band Era. Music of Count Basie, Les and Larry Elgart, the Beatles and Stevie Wonder will highlight this segment.

A LIMITED number of tables are available in the courtyard, so those planning to attend are urged to arrive early. Refreshments will be served during the concert.

Tickets are available from band students and at the door; adults, \$1.25; students, 75 cents.

Landfill Has New Plan For Fencing

Waste Management Inc., operator of the landfill east of Antioch, will soon be constructing a new fencing arrangement. It was reported at Monday's village board meeting.

A letter dated June 30 was read from Bert Fowler, engineering manager of the corporation, in which the original plans were stated to call for a seven-foot chain link

fence with screening slats at the east property line and a woven wire fence of undefined height at the north line. No fencing was required at the south or west lines.

"WE BELIEVE there is a need for security fencing around all sides of the property," the letter said, "and something to muffle the sound

Lake Villa Schools Seeking Land?

Following an executive session which reportedly involved land acquisition talks, the Lake Villa School Board conducted "routine business" at last week's meeting.

Supt. Peter Palombi declined comment on the land question, stating that executive session discussions are not to be disclosed until the board chooses to make them public.

However, the Waukegan News-Sun said the session was

devoted to a discussion of possible land acquisition, with village officials involved in the talks.

In other action, the board approved by a unanimous vote to hike salaries for all non-certified personnel.

The board hired five new teachers: two for mathematics, two for children with learning disabilities and the fifth

Newlyweds**

Jill Leslie Fischer became the bride of Dale William Lambert in a double ring ceremony July 5 at the Church of the Holy Family in Lake Villa.

The new Mrs. Lambert is the daughter of Mr. and Mrs. Lennard Fischer, 1041 Bishop St., Antioch. Mr. Lambert is the son of Mr. and Mrs. William Lambert, Washington, Ill.

The bride, given away by her father, wore a floor length gown of white silk organza enhanced with chantilly lace over mist taffeta. The bodice was fashioned with a high neckline and long bridal sleeves. The a-line skirt was edged in scalloped lace, accented by a headpiece featuring a camelot cap with imported illusion lace edged with a mantilla veil.

Maid of honor for the occasion was Diane Vos with bridesmaids Patricia Verbanac, Donita Lambert and Amy Hostetler. Best man was Doug Magnuson with ushers Jim Fischer and Slate Nelson.

Music at the church was played by the groom's brother, Don Lambert.

A reception at The Dutchman followed the ceremony. The couple left for a honeymoon to Mackinac Island, Michigan. They will reside in Washington, Ill.

The bride is a 1971 graduate of Antioch Community High School and a 1975 graduate of Augustana College, where she was a member of Delta Chi Theta social sorority.

The groom is a 1974 graduate of Augustana College, where he was a member of Gamma Alpha Beta social fraternity. He is employed by Caterpillar Tractor in East Peoria.

Landfill Has New Plan

Continued from page 5

along the east.

To meet these needs, Fowler proposed a six-foot woven wire fence around the entire boundary, along with an eight-foot landscaped berm near the east line. This plan reportedly will afford greater visual screening than that given by a chain link fence and, in addition, provide sound absorption. The landfill says the berm might be useful to the village when it takes over the property, or it can be removed.

Work on the berm is to start upon completion of the landfill covering. Fowler asserts that this will be in time for fall planting of grass and shrubs.

At the recommendation of Frank Angelotti, village en-

gineer, the board voted to approve the plan.

Mayor Robert Wilton was authorized to sign the Revenue Sharing Actual Use Report for the period of July 1, 1974 through June 30, 1975. Funds received were \$65,050 with \$202 interest. Total amount expended was \$4,183 (for public safety), giving a new balance of \$66,553.

The board followed the public works committee recommendation to reimburse Grant Spong for half the sum necessary to redig and refile his sewer system. Damage was done during village ditch excavation near his Garys Drive home.

AT THE request of the Chamber of Commerce, the

board voted to close Broadway Ave. on Aug. 21 from 6:45 to 7:30 p.m. A drum and bugle corps demonstration is planned in conjunction with the Midnight Madness sale.

Bidding is to begin on the Depot St. water main extension and Anita St. water main replacement project. Bids will be opened at the Aug. 11 continuation of the next regular board meeting, scheduled for 8 p.m. Aug. 4.

Other meetings: July 23, park board; July 28, finance, planning and zoning, health, civic activities; and July 29, joint plan commission meeting with Lake Villa and Lindenhurst.

SUNDAY'S POLISH "SLAKFEST" at Vi's Yellowbird attracted a large crowd and featured a Dixieland band, the Marks of Dixieland. Hostess Vi Johantgen posed with maestro Paul Terrien, who was celebrating his 70th birthday.

Along the way with ANNIE MAE

How about this lucky guy - hear tell Chuck Smith won \$1,000 on a lottery ticket he purchased at Foremost Liquors in Antioch.

This makes him eligible for the grand drawing - I'd like to be in his shoes, but I don't know if I could stand the waiting!

Hear tell our good friend Phil Schwartz and his wife, Lori, spent some time visiting with Joe and Barb Rush last Friday evening. They're doing just great and send hellos to all their Antioch friends.

NICE TO SEE Bernie and Peg Fosmark, Ken and Jane Wierschem and Helen and George Murrie all looking so tan and rested after their vacations out west.

Babs and Bob Barnes entertained Bob's brother and his family from Calispell, Montana, and his sister-in-law (Walter had to stay home) and two children from San Antonio, Tex., this past week. Lots of fun - it was especially nice for Wava Barnes who really has a time getting her three sons and their families together. The brothers are all doctors, making their time away very limited. Betsy Barnes went back with her Uncle Don to Calispell and will spend some time visiting with the family on their horse farm.

THE FIREMEN had a super day for their annual picnic last Sunday at the pool. Also enjoying the fun were members of the Rescue Squad, Police Department and Village employees. They were able to get in their annual softball game

and, best of all, no casualties this year!

Upon arriving home from the picnic, Arnie and Mable Lou Weber were greeted by 50 guests shouting Happy Anniversary! The kids had planned a surprise party for them and the timing worked out just beautiful. Lots of fun and the Webers didn't even have an inkling of all the plans.

Danny and Jill Toman became parents for the first time on July 14. Shawn Michael weighed in at 8 lbs. 12½ oz. Paternal grandparents are Mr. and Mrs. Charles Toman of Antioch and maternal grandparents are Mr. and Mrs. Spencer Hensley of Charlotte, N.C.

Danny was a 1968 graduate of ACHS and he and his wife now reside in Charlotte.

THE ANTIOCH Methodist Church is planning an "Old-Fashioned Gospel Sing" during its 9:30 a.m. worship service this coming Sunday. The men's choir will be featured and everyone is welcome.

THE OLD FARMER'S ALMANAC

JULY 28 - AUG. 3, 1975

As the days shorten, the heat'll scorch 'em.

Now's the time for a hammock in the shade... Wild Bill Hickok assassinated Aug. 2, 1876... Last quarter of the moon July 31... Average length of days for the week, 14

hours, 33 minutes... Grasshoppers invaded S.D., Nebraska, and Iowa, July 28, 1931... First Masonic Lodge opened in Boston, July 30, 1733... Diamonds found in Arkansas this week in 1906... Good china, like a good reputation, is easily cracked. Old Farmer's Riddle: What has one foot at each end, and a third foot in the middle? (Answer below.)

Ask the Old Farmer: My grandfather used to say he could tell it was going to rain by the sound of a distant train. I was too young to disbelieve

him. Any truth in what he said? H. D., Grand Forks, N.D. He was right. When distant sounds are loud and hollow, look for rain. Lowering cloud ceiling acts like a sounding board. Home Hints: After your next painting job, wash your paint roller with a fabric softener. The roller cover will dry soft and fluffy, just like new... Riddle answer: A yardstick.

OLD FARMER'S WEATHER FORECASTS

New England: Somewhat cloudy all week, with intermittent rain and thunderstorms; cool temperatures at week's end.

Greater New York-New Jersey: Most of week partly cloudy and quite warm; rain latter part, then clearing by weekend.

Middle Atlantic Coastal: Week begins with fairly heavy rain in west, then clearing and very hot by midweek; heavy rains in north, clear and hot weather in south and central by week's end.

Piedmont & Southeast Coastal: Partly sunny and hot to start, then moderately heavy rain in north and south; week ends with partial cloudiness and showers in central and south.

Florida: Early week sunny in central and north, cloudy in south; general cloudiness and hot latter part, with showers in central on weekend.

Upstate & Western N.Y.-Toronto & Montreal: Partly cloudy with intermittent showers most of week; partly clear in south latter part.

Greater Ohio Valley: Cloudy with rain to start, then partial clearing; partly cloudy again with highs near 90.

Deep South: Week begins partly cloudy and very warm; light showers in north and east, then partial clearing latter part.

Chicago & Southern Great Lakes: Cloudy and very hot at first, with showers in west, then gradual clearing, slightly cooler temperatures by week's end.

Northern Great Plains-Great Lakes: Early week slightly cloudy and cool with scattered showers; end of week very hot, with thunderstorms in central.

Central Great Plains: Week starts with rain in east, north and central; latter part cloudy, but clear on weekend, except for some showers in south.

Texas-Oklahoma: Week begins clear and very hot in central and south, showers in north; partly cloudy with scattered showers latter part.

Rocky Mountain: Clear and cool, then clouding up with showers in south; end of week clear and warmer in central and west, cloudy in east with rain.

Southwest Desert: Cloudy with thundershower activity and highs near 110 to start; week ends with gradual clearing, high temperatures.

Pacific Northwest: Early part of week partly cloudy and cool, rain in north by midweek; clearing, then clouds and rain again in north.

California: Clear and hot to start, some morning clouds along coast; some light drizzle and partly overcast latter part, clearing and hot again by weekend.

Astro-Analysis

By JAN

ARIES [March 21 - April 19] — Don't embark on some new task unless you are really enthusiastic about it. Plan your week wisely so impulsive decisions won't have to be made.

TAURUS [April 20 - May 20] — Major part of this week should be used to finish up business matters. Try to tie up holiday shopping as well, so more time can be devoted to loved ones.

GEMINI [May 21 - June 21] — Exercise thriftiness with last minute shopping. A business encounter may prove more promising than it looks, so wait about making erratic moves. Keep a level headed, conservative attitude.

CANCER [June 22 - July 21] — Tally up your gains from past efforts, you may be pleasantly surprised at the progress you've made. Don't keep late hours this week, rest is most important.

LEO [July 22 - August 21] — You may have mixed emotions regarding a personal relationship. If you can't come to a definite conclusion, get one's opinion who is objective and honest.

VIRGO [August 22 - September 22] — Pay more attention to what your aims and goals are. Ambitions can't be accomplished without perseverance. Stick to the straight and narrow path in business; avoid confusing issues.

LIBRA [September 23 - October 22] — Keep a lighthearted attitude as the week progresses things improve. New developments can alter already made plans so be ready for changes.

SCORPIO [October 23 - November 21] — Make no commitments which you can't follow through on. It's better to live on a day-to-day basis for the time being rather than undertake too much.

SAGITTARIUS [November 22 - December 21] — You must develop a broadminded attitude now on that matter you may have been taking too seriously. Be willing to change your views if necessary.

CAPRICORN [December 22 - January 20] — A propitious week for romantic pursuits. You seem to be especially attractive to the opposite sex so use your magnetic charm to its best advantage.

AQUARIUS [January 21 - February 19] — Project your efforts wholeheartedly into that plan you've begun. You may have to enlist the help of one who is experienced but you carry the brunt of the load.

PISCES [February 20 - March 20] — Direct your attentions to the future. Preliminary planning now is a must, especially if you are contemplating making important changes later.

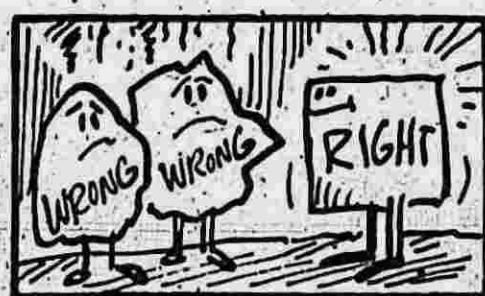

Sr. Citizens' Day at Fair

Excitement has been mounting among senior citizens in anticipation of the Lake County Fair. (Wednesday through Sunday.)

The Lake County Council for Seniors made written request to the Fair Board and the daily admission charge for Senior Citizens was reduced to \$1.

The Council for Seniors has declared Thursday as "Senior Day" and all senior citizens are invited to enjoy free coffee and cookies throughout the day at the council's booth.

The Retired Seniors Volunteer Program will have representatives at the booth to answer questions or to sign up volunteers.

Two wrongs can never make a right.

Antioch Students Win Scholarships

The Lake County Homemakers Extension Association has awarded scholarships of \$500 each to three county residents.

Persons receiving the scholarships include:

In Borneo it is believed that the soul of gold takes revenge on those who mine it.

Nowadays the guy who works his way through college has to keep the same job after he graduates.

Mary Mayer, a graduate of Antioch Community High School and a member of the Millburn Maidens and Hornets 4-H club for five years. Mary will be attending Marquette University in Milwaukee this fall. She plans on becoming a nurse.

The Helen Johnson Volk Home Economics Scholarship of \$500 was given to Mrs. Bruce Carmen of Deerfield, Illinois.

The Ray Nicholas \$500 Scholarship was awarded to Glen Weinberger, a graduate of Antioch Community High School. Glen will attend the

College of Lake County this fall. He hopes to be a veterinarian.

'Fiddler' Opens Here Saturday

"Fiddler on the Roof," the colorful musical hit of both Broadway and Hollywood, will open Saturday at the PM&L Theatre, 877 Main St. in Antioch.

Subsequent performances are scheduled for Fridays and

Saturdays, Aug. 1, 2, 8 and 9. Curtain time for all shows is 8:30 p.m.

Lou Jones directs the production, with Mary Chris LaKome as musical director. Choreography is by Lyn Zaehler and Frank Gaughan.

The robust musical is supported by an orchestra including Tracy Teltz, piano; Chris Lindberg, flute; Craig Peshman, clarinet; Avis Mingler, violin and mandolin; Bernard Kovach, accordion; Brian Kovach, bass guitar and David Bush, percussion.

THE ORIGINAL book by Joseph Stein has been augmented by Sheldon Harnick's lyrics and music by Jerry Bock.

The play tells the poignant story of a small Jewish community buffeted by the winds of change in Russia on the eve of World War I. Modernization and political revolution erode the traditions on which the Jewish community has stood for generations.

Caught in this whirlwind, the central characters, Tevya (played by Ken Smouse) and Golde (Pat Jamison), struggle desperately to cling to their identity as traditional Jews. They see their daughters, one by one, fall prey to change. Tzeitel (Lyn Zaehler) succumbs to modernization in marrying for love in defiance of the traditional family-based match-making; Hodel (Kim Kovach) runs off to marry the

revolutionary firebrand Perchik (Bruce Berger); and Chava (Kathy Boarini) deals traditional family organization the coup de grace in marrying the non-Jewish Russian Fyedka (Bill Beese).

The sometimes comic, always poignant story is illuminated by a number of colorful and rhythmic songs and dances. Outstanding among them are

"Tradition," "To Life," "The Dream," "Sunrise, Sunset," "Miracle of Miracles," and "Anatevka."

"Fiddler on the Roof" is a well-established, sure-fire hit which has drawn large audiences wherever it has been performed. To make sure you

do not miss the PM&L production, call 395-3055 to reserve your seats. This is not a season-ticket show. Seats are \$3 for adults and \$1.50 for students.

ACHS Meeting

The regular monthly meeting of the board of education of Antioch Community High School will be held Thursday at 7:30 p.m. in the board room.

SAMMY CASTRO of Allendale School for Boys in Lake Villa presents checks to Mr. Harvey Jordan of Highland Park, an American Cancer Societies Bike-a-thon chairman. The checks represent almost \$60 collected by Sammy and five other students from Allendale who rode in the bike-a-thon. Mr. Jordan said that \$17,000 of an expected \$20,000 already has been received. He expressed his appreciation to the nearly 1,400 riders, including Sammy and the boys from Allendale who gave their time and energy to help in this life saving effort.

OAKWOOD KNOLLS NEWS

By JUDY PHILLIPS

This Saturday the Oakwood Knolls Property Owners Association's first annual fishing derby will be held from 6 a.m.

until 3 p.m. at the Lakewood pier.

The rain date is Sunday. Ken Jandula and Chuck Miller, co-chairmen, said the derby is open to all Oakwood Knolls

residents. Tickets are 50c for children to age 18 and \$1 for adults. They can be purchased from Ken at 218 Maplewood Drive or Chuck at 194 Oakwood, or at the Lakewood pier the day

of the derby.

Prizes will be awarded for the following categories - the three largest fish caught during the day, the largest bass, northern, bluegill, crappie, sunfish, perch, rock bass, bullhead, dog fish and carp caught, the most fish caught, the youngest fisherman and the oldest

fisherman.

One prize per person will be awarded.

SWIMMING lessons begin next Monday. A total of 77 children have registered for the lessons to be held Monday through Friday from 8 a.m. till 12 noon, through Aug. 8, at the beach. Teaching will be Barb Sander, Red Cross certified water safety instructor, assisted by Terry Pedersen.

Mothers who will be helping at the beach during lessons are Sue Ploughman, Roseann Mazzio, Ngoc Jucha, Vickie Schlipper, Judy Petykowski, Joanne James, Judy Cook, Mary Dilloo, Carol Barker and Mary Ann Edens. During the swimming lessons the beach will be closed to all people not taking lessons.

GEORGE AND Chris Kellogg and their children, Kerry and Chad, have returned from an enjoyable two-week vacation visiting friends in Maine. The first week they stayed at a little town near Bath, Maine.

The second week the Kelloggs stayed at a cottage on the ocean in Small Point, Maine. The weather was beautiful and they relaxed, swam, and enjoyed the scenery.

APPROXIMATELY 45 relatives, friends and neighbors attended a surprise anniversary party for Arnold and Mabel-Lou Weber Sunday afternoon.

The party was given by the Weber's children, Jeannine Leonhart and her husband Joe, Bill Dow and his wife Ruby, Bob Dow and Joe and Jim Weber.

Birthday greetings to David Hanson July 26, Dorothy Purfeerst July 27, and Delores Pittman July 31.

Get well wishes to Rose Gardula.

All Oakwood Knolls residents are reminded to attend the important Oakwood Knolls Property Owners Association meeting tonight at 8 p.m. at the State Bank of Antioch.

ANTIOCH'S LITTLE LEAGUE season is coming to a close and this is the kind of big league form and dedication the youngsters are pouring into every play. This is Daryl Blanchette, pitching for the Lyons-Ryan Cubs. The annual Round Robin tournament and championship playoff games are underway this week. The schedule appears elsewhere in today's paper.

Reds Triumph Over Cards

In an extra inning thriller, Tom Haviland's Reds edged Denny Horton's Cardinals 4-3 to win the Antioch Minor League Championship Saturday.

The Reds opened the scoring in the bottom of the second inning with Joey Corrubba

tripling and scoring on an error. John Gerhardt then singled and scored on Tony Edens' double.

The Cardinals tied the score at 2-2 with Mike Whitehead doubling in both runs.

The Cardinals took the lead 3-2 in the top of the 6th on

back-to-back doubles by Whitehead and Paul Knuelach.

The Reds' winning rally was aided by several walks and a bunt single to score one run. Chuck Pip's walk with the bases loaded scored the winning run.

Swimmers Take Third

Spurred by determination and desire, the Antioch swimmers nearly pulled an upset but happily settled for third in the conference relays meet at Lincolnshire. Final standings found the team only 12 points out of first behind Plum Grove and Brentwood.

Winning relays included three 200 backstroke teams: boys 12 and under (John Schmidt, Ted White, Joe Manning and Theodore Bessette) girls 14 and under (Carol Berry, Trina Spietz, Margaret Bessette and Jenny Schmidt) and boys 16 and under (Al Jaworek, Scott Reeves, Bob Ogden and Jerry Schmidt).

In the breaststroke relays, Antioch swam boys 10 and under (E. Fink, Jeff Bundy, George Bessette and Craig White) and 14 and under (Steve Haley, Phil Jaworek, Jack Fields and Chuck Auxier). The mixed 100-yard butterfly con-

sisted of Jean Cilik, Beth Mueller, Ted White and John Schmidt.

LAST TUESDAY the team won handily over the visiting Northbrook team, Old Willow, 289-137. The team then traveled to Kenosha's Tremper High School for a meet with the Kenosha Recreation team, winning 224-174, to bring the

season's record to 4-2.

The Old Willow meet was highlighted by fine diving by Chris Walpole, Sue Berry and Bob Ogden, who swept the 16 and under points.

PFARR DOWN THE FAIRWAY

Patty Berg, one of the grand old pros of women's golf, still gives exhibitions for the Wilson Sporting Goods company.

She visits country clubs and delights audiences with her wit and her ability to still hit beautiful golf shots.

"I used to take lessons from Sam Snead," says Patty.

"Sam gives you a mouthful of marbles and you get to spit one out every time you hit a good shot. When you've lost all your marbles, you're a golfer."

She holds up a box of Wilson golf balls and gives the audience a commercial:

"They have new fluid feel, new crisper click and new dynamic distance - but here's the secret," she says, taking the cover off the box. "Look how easy they are to open."

ball 280 yards. When it goes straight down the fairway, it looks as if the shot was hit by a U.S. or British Open champion.

Leo Smith has to be one of the nicest guys in the world. Anyone who can miss 14 short putts and keep smiling for 18 holes is a real gentleman. I'd like to see Leo make all those putts, and shoot a 75 ... and I'd like to be his partner on that day.

SPEAKING OF dangerous putters, it's going to be difficult for Gordy Cornelius to get any strokes in future matches. We hear that Gordy shot a one-under-par 35 on the back nine at Fox Lake Country Club.

We were just about to call Gordy to arrange a match but, if he's going to play like that, we can't afford it.

BRUSHING UP -- Working on a mural in the nurses' quarters at Antioch Community High School are summer art students (top to bottom) Tim Troyer, Pat Conway, Bob Norton and Tammy Kempiski. Tammy designed the plan, which is one of three new murals under the direction of art teacher Jane Craner. Designers for murals in another part of the nurses' quarters and in the choir room are Debra Blahchette, John Edgell and Jeanne Ellsworth. (Photo by Betsy Rossen.)

Powder Puff Races

The second powder-puff derby of the season is scheduled Sunday night on the Waukegan Speedway pavement.

The gals, driving hobby cars, may have some trouble "sweet-talking" regular hobby drivers into letting them borrow hobby cars to race in the special event.

The last powder-puff, July 4, saw three cars totally demolished and a female news reporter taken to a hospital for stitches in the forehead.

Dusty Ostendorf won that race over Mary Cash and Ida Bobrick. A field of 23 ladies entered.

Late model and hobby stock car racing continues at Waukegan every Saturday and Sunday night with time trials for the late models at 7:15 and the first race at 8 p.m.

The Speedway is located just east of Highway 41, on Washington St. The track's weather and information phone is 312-662-8200.

CARL MAJOR won his third feature of the year Sunday night at Waukegan, driving B. H. Leslie's No. 66 Camaro.

Antioch Driver Thrills Fans

Don Collins of Antioch won the third and fastest heat race for sportsman cars Saturday night at the Kenosha County Speedway in Wilmot, but he was robbed of a clean sweep as his Dodge Charger blew a tire while he was leading the special mid-season 25-lap feature event.

Collins had masterfully taken over the lead by ducking inside of the cars of Duke Norton of Wonder Lake and Ken Ziesse of Franksville, Wis., as the two dueling with each other and drifted wide going into a turn.

But after pulling steadily away from the 18-car field, Collins' tire let go, forcing him to slow drastically. He still managed to finish the race running on the flat tire and placed eighth despite the blowout.

Later, Collins said he had no one but himself to blame. "I knew the tire was ready for replacement but I figured I'd get one or two more races out of it," he said. "As it turned out, the money I lost by not winning would have more than paid for new tires."

Meanwhile, Tom Homan, another Antioch driver, was knocked out of contention in the feature race when he locked horns with another car and slid into the concrete retaining wall after earlier getting caught in a multi-car pileup in the second turn. That one resulted after

rookie driver Dan Hagl of Lake Villa spun out while leading the pack.

Meanwhile, in the super modified division, Carmen Manzardo of Lindenhurst finished second in the 25-lap feature race after moving up from the seventh row in the starting grid. Manzardo led the race for several laps but was outraced after a restart, following an accident, by the eventual winner, Dick Colburn of Muskego, Wis. Colburn's win was his third in a row and the sixth feature win of the season.

Nancy Ruhl of Lindenhurst won a special powder-puff race for women, holding off several strong challenges in the final lap. Nancy gave car owner Manzardo some anxious moments as she hung the tail of the car out several times and made a habit of almost brushing the concrete retaining wall as she roared down the front straight-away.

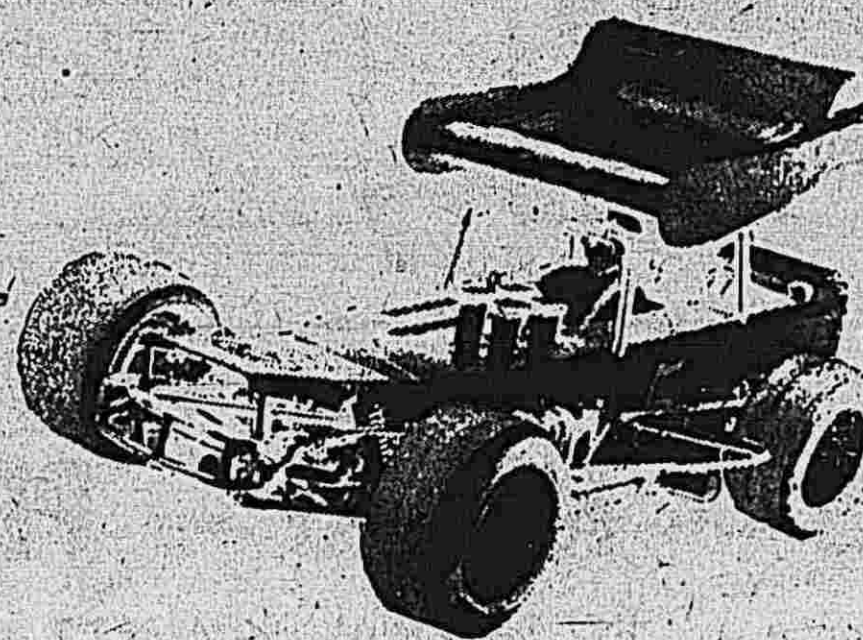

Racing will continue at Wilmot on Saturday with a full program.

50-Lap Race

Late model stock cars will race at the Lake Geneva Raceway in a 50-lap feature Saturday.

17.4 per cent of 4-11 members now live in cities and suburbs.

undetermined as of yet. Accepted was the resignation of a therapist and two teachers.

A social worker from the Special Education Department of Lake County may work with the schools two days a week. Music and art classes were tentatively agreed upon for all grades. Palombi is to begin the search for full-time art and music teachers and a part-time music instructor, though the board's budget will determine whether these teachers will be hired.

As part of a new energy-saving program, the board voted to move its meetings to Pleviak School. Board member Donna Ewing proposed the limiting of Intermediate School use, citing high bills for heating, cooling and lighting.

This week rounds up the Little League season with the round robin tournament and championship playoffs. So come on out and watch these youngsters play.

Channel Lake Shores residents, Edith and Irv Elms and Hazel and Joe Parfitt were guests of honor at a little party given for them by the subdivision to celebrate their golden wedding anniversaries. Congrats to both couples!

MANY HAPPIES to Sharon Watson who celebrates on the 24th, to David Young on the 25th, Dina Fabry on the 28th,

Carl Leatherberry and Betty Valentine on the 29th, and to Bernie Gutowski and Peter Meyer who celebrate on the 31st.

"If you haven't already made your reservations for PM&L's 'Fiddler on the Roof' - do so right away. I hear from a good source who visited rehearsals that it's really a super play and the music is just beautiful.

Remember, donations for the Rescue Squad Auction are still being accepted at the Village Hall. If you can't bring them, call and someone will pick them up.

See ya,
Annie Mae

NOTICE TO BIDDERS

DEPOT STREET WATER MAIN EXTENSION AND ANITA AVENUE WATER MAIN REPLACEMENT ANTIOCH, ILLINOIS

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 874 Main Street until the 11th day of August, 1975, at 7:30 P.M. Daylight Savings Time, for the construction of the Depot Street Water Main Extension and the Anita Avenue Water Main Replacement. Bids will be publicly opened and read at the adjourned meeting of the President and Board of Trustees to be held at 8:00 P.M. Daylight Savings Time on the 11th Day of August, 1975.

For the Depot Street Water Main Extension, the work to be done is as follows:

1. Construct approximately 1500 lineal feet of 12" diameter and 200 lineal feet of 6" diameter water main; and,
2. Construct approximately four (4) 12" diameter gate valves enclosed in 60" diameter pre-cast concrete vaults and three (3) 6" diameter gate valves enclosed in 48" diameter pre-cast concrete vaults; and,
3. Install approximately five (5) fire hydrants along with necessary tees, valves and appurtenances; and,
4. Necessary surface restoration and incidental work such as pressure testing, chlorination, and sample testing of the water.

For the Anita Avenue water main replacement, the work to be done is as follows:

1. Replace approximately 650 lineal feet of 10" diameter water main using either ductile iron pipe with a loose polyethylene wrap or polyvinyl chloride water main; and,
2. Replace 1 fire hydrant along with four (4) building services being served by the Anita Avenue main; and,
3. Maintain service in the existing Anita Avenue main except for short periods of time, 4 hours or less, needed to make final connections between the existing and replacement main; and
4. Necessary surface restoration and incidental work.

All work is to be performed in accordance with the plans and specifications which are on file in the Village Hall, and at the office of Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Illinois 60005.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check, drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten (10) percent of the total bid, made payable to the Village of Antioch, Illinois. Bid bonds or other substitutes will not be acceptable. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks or unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work will commence within thirty (30) calendar days after date of written notice to proceed, and all work shall be completed within sixty (60) working days, after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in bid, and to accept the bid which it deems to be in the best interests of the village of Antioch, Illinois.

Bid documents are available from the Village Clerk for a non-refundable charge of ten (\$10.00) dollars for the two (2) projects.

Gasoline Prices Soar

Gasoline prices appear to have steadied after reaching record levels over the Fourth of July holiday.

The Chicago Motor Club survey showed wide price fluctuations among various stations.

In the Chicago area the average price for a gallon of regular gasoline has soared to 62.7 cents, while premium is averaging 66.8 cents a gallon.

However, as much as 10 cents separated the highest and lowest prices for both regular and premium grades of gas.

3 New Teachers Hired

Three new teaching contracts were awarded at last week's meeting of the Antioch Grade School District.

The board of education hired Sharon Higus as assistant band director at a salary of \$8,700, Toni Ann Fisher to teach language arts at a salary of \$9,400, and Kristine E. Hansen to teach vocal music at a salary of \$8,700.

They were hired for the 1975-76 school year.

A special meeting of the board has been scheduled for 7:30 p.m. on Thursday, July 31.
